

Update 13th November 2020

Hi all,

It has been great to see all of the children taking part in various activities this week. On Wednesday we enjoyed a special Remembrance Day with TASFL completing army style drills as well as observing the 2-minute silence. Today, the children have all been in their pyjamas in support of Children in Need and the atmosphere around school has just been lovely.

As you are all aware, last weekend we closed one class bubble due to a positive COVID test result. We have very strict guidelines in place and a plan to follow when we receive a positive test result. As the week unfolded we were made aware of further positive tests in children who attend our school. Public Health guidance has been followed and has resulted in no further class or bubble closures and we continue to be as vigilant as ever in our fight against COVID. We wish all of our children and their families affected so far, a speedy recovery and we are looking forward to seeing you back in school very soon!

As always, we are here if you need anything.

Stay safe,
Miss Ferguson
