

Update 6th November 2020

Hi all,

It has been great to see everyone return to school after half term refreshed and ready to learn!

Although the new national restrictions are now in place again, school is open and running as it was before. Please can I remind you all that only ONE parent should be dropping off and collecting children and that you ensure you keep a social distance on the school yard. We have been very fortunate not to have to close any bubbles or the school due to COVID and I am hoping that remains the case.

As always we are here if you need anything.
Stay safe,
Miss Ferguson
