

# MEET THE TEACHER!

Miss McConnell

Hello and welcome to Innovators!

I am very excited to be your new teacher for year 1 and for the adventures I have planned for us ahead of an exciting year.

A little about me:

- ✚ I enjoy cooking meals for my family to enjoy.
- ✚ I love the outdoors and in my spare time I enjoy hiking in woods, on beaches and up mountains.
- ✚ My favourite season is Spring so that I can watch the flowers and trees blossom.

This is Vinny, he is 3 years old and he loves coming on Autumn adventures with me.

Some of my favourite books are Room on the broom, A squash and a squeeze and We're going on a treasure hunt because they are filled with adventure and kindness.
