

MEET THE TEACHER!

Mr Parkin

Hello Fishburn Family!

Most of you know me by now (and also know my little sidekick Coco, one of our gorgeous school dogs) - I am extremely privileged to be your Deputy Headteacher as I get to visit all of your classes everyday and see the wonderful learning that is taking place!

I am very excited to continue be a part of your school journey and can't wait to share some of the wonderful opportunities we have planned for you this year.

I love Maths and when I'm not working across the school you'll find me teaching Maths to our Patherfinders class. Mrs Murray and I share this class and, just like all of your teachers, we try our very best to give you the best possible learning experience.

Part of my job is to help Miss Ferguson design your curriculum so if you have any great ideas for what you would love to learn then catch me around school.

You could also try to challenge me to a Maths problem – I love a challenge and am quite competitive!

You'll usually find me at playtime walking Coco or watching the children play football. I'm a huge football fan and the team I support have made it into the Champions League for the first time in 20 years!

When I'm not in school, I'm usually exploring the outdoors with my fiancé, Coco and our two boys, Zac and Freddie.
