

Meet our Office Manager

What really makes me really proud?

Seeing our children in school being polite, kind and thoughtful towards each other.

What am I looking forward to?

Seeing what all our school children can achieve this academic year.

Hello everyone.

I'm Mrs Leddy and I work in the school office at Fishburn Primary School. I'm very fortunate to work with a great team of school staff. The work I do is extremely varied and no two days are the same. Here is a snapshot of some of the jobs I do on a daily basis - receptionist, secretary, diary management, attendance officer, photocopier mechanic, first aider, lost tooth collector, planner and organiser of school activities, procurement and ordering, negotiator, payment of invoices, data collection, sounding board and finder of lost uniform!

Not only do I love my job, I also love seeing all our wonderful children each day in school.

I have two children an 11-year old son called Fynn (who is cycling mad) and an almost 9-year old daughter called Alana who most of the time is sweet.

When I'm not at work I can often be found in a pair of wellies at home looking after 2 horses called Tilly and Woody who both love carrots. I have 8 hens that love eating my flowers and making a mess of my garden. I also have 3 feral cats which come every day to my house to be fed.

I enjoy marshalling / helping out at the cycling club where both my children go each week. If I'm not taking Fynn to a cycling competition, I enjoy going on long walks and running with Fynn and Alana. I also like to spend time with friends which more than often involves eating cake.

I love reading and I'm currently on reading books by the author Colleen Hoover.

Develop a passion
for learning. If you
do, you will **never**
cease to grow.

- ANTHONY J. D'ANGELO
